

Multimodal AI Outreach That Gets You *Sales & Meetings*

Deliver real human-like targeted campaigns at scale. Aurora makes it personal, without avatars or retakes.

neuroscale.ai | sales@neuroscale.ai

Send every **contact**, **lead**, or **customer** a message made just for them.

Why Teams Love Aurora

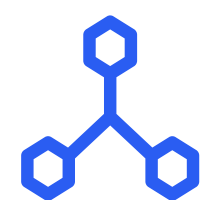

- Create 1 to 1 videos in minutes** – Aurora transforms every cold lead into a warm conversation with videos, landing pages, and emails tailored to each individual.
- Fast, done-for-you campaigns** – From scripting to filming to outreach, Aurora handles everything so your campaigns launch in weeks, not months.
- Real-time analytics** – Track who's watching, clicking, and booking meetings through a live dashboard that gives your sales team actionable insights.
